Food storage containers

Made of impact, stain and chemical resistant polycarbonate material, food acids or oils won't stain or harm the container. Withstand temperatures from -40°C to 99°C, so containers can be used in the freezer or cold cabinet. Easy to read graduations printed on the outside of quick inventory management. Tight fitting seal cover is spill resistant.

Wide and Easy Grip Handles

Wide comfortable design with textured finish provides a secure grip. Drain holes in handles offer quick drying. Special wide handles easy carrying and save space.

Non-slip surface

Outer container corners, edges, and the bottom has a non-slip grip surface design. Reduce scratching, keep beautiful appearance, increase the using time.

Stackable lugs

Corner stackable lugs add strength rigidity and prevent jamming when stacked.

Date indicator

On all four sides with date mark help maintain food quality and made inventory control easily.

Textured Lid

Non-slip texturing provides secure stackable and scratch resistance.

Contents and Date indicator on Lid

Marking contents and date on lids to help promote product freshness and quality.
