

ANOLON®

ANOLON®

Perfect professional results for the home chef

Your customer s may not quite have the creative flair or the impeccable technique of this country's outstanding chefs. But they can use cookware that's tried and trusted by the very best. The Anolon range is for the home chef who wants cookware with exceptional craftsmanship and cutting edge designs, to aid their culinary passion. They appreciate the technology and features of the products, which provide the perfect tools in the kitchen.

And because their passion means they'll really be putting this cookware through its paces, customer s value the durability and performance delivered by the heavy gauge construction and superior materials guaranteed for a lifetime.

With its exciting product assortment, the Anolon brand boasts world-class craftsmanship, cutting edge designs and features including a premium heavy gauge construction and reinforced long lasting non-stick technology.

The entire Anolon collection is designed to enhance your creativity in the kitchen and is guaranteed for a lifetime. Nurture your creativity in our Anolon Academy, a series of masterclasses with the UK's most renowned chefs.

ANOLON®
