## Perfect professional results for the home chef

Our name is synonymous throughout the world with quality and design.

---

We're proud to be at the forefront of creating innovative ideas and producing sleek, stylish finishes for today's kitchens and today's families. Families who are looking for day-in, day-out durability and long-lasting quality.

---

Families who appreciate design and function coming together to give outstanding performance while looking the part. Whether they're knocking up a 10-minute tasty weekday tea or lovingly preparing an indulgent weekend family treat, our ranges will be up to the job every time.

---

We've built in a few surprises which make cooking more convenient too. For example, our Select Stainless Steel saucepans have an ingenious integrated colander lid to take the strain out of straining the vegetables. While our cookware sets are induction suitable, and their stylish soft grip handles take the worry out of cooking.

## BELLA CLASSICO

INDUCTION READY STAINLESS STEEL

The Special PERMABONE™ base is made of two parts: A thick aluminum disc and a stainless steel protector. The aluminum provides quick and even heat distribution. The stainless protector is made of special durable stainless steel which allows the cookware to be used on all rangetops-even induction rangetops. The stainless steel protector also prevents the aluminum base from marring surfaces and the protector will keep its lustrous for years to come.

### FEATURES

- High Quality, Heavy gauge durable stainless steel.
- Special grade of stainless steel pan and lid for maximum shine.
- Self-basting lid keeps food moist and tender. Only small amounts of liquid are necessary to prepare tasty and nutritious meals.
- Precision engineered handles are made of durable stainless steel. The long tubular handle design will (Stay-Cool-To-The-Touch) under normal stove top use.
- Induction Base and Fully Dishwasher Safe.
- Completely oven-safe up to 500°F / 260°C.

CAST IRON

INDUCTION BASE

## FEATURES

- Heavy gauge cast iron construction : Made from pure iron ore.
- Pre-seasoned cookware : Seasoned using 100% vegetable oil.
- Naturally healthy cooking : No use of synthetic coatings and chemicals makes it 100% safe for consumption.
- Stick resistant : Regular seasoning of the pan develops a patina of its own over a period of time that is stick resistant.
- Therefore, your pan surface acts as a non-stick without any non-stick coating
- Exceptional heat retention : Thick pan body helps to retain heat for a longer duration
