Stonecast®

NEW COLOUR & NEW ADDITIONS

Inspired by the seasons

Stonecast is an exciting collection of rustic and hand decorated products inspired by the changing seasons and fresh ingredients. The rustic collection is revived from a design in the Churchill archives, dating back to the days of the James Broadhurst factory. Stonecast is hand decorated and then finished with a fine speckle and rustic edge in a rich golden brown.

The nature of the manufacturing process means that every piece will be slightly different, adding to the overall charm of the product.

New for Autumn 2020 is Stonecast Lavender, a perfect pastel tone. As well as new walled triangle plates and cup size additions, available in popular Peppercorn Grey and Barley White.
